Mr. Z. Hurndon made a survey lest
Friday for a mile of railread to be built
yith the McCrokens from the main line of
the I., H. and W. into their timber findle
about five miles below here. Owing to
the immense arount of timber that the
McCrackens have purchased, they find
that it will be cheaper to lay a track and
wore it by rail than to underta. to haul
it in wagons. A half dozen saw mills will
be put into the woods at once sed the
work of outting up the magnificent oaks
and poplars will hayle to scarees. Mr.
Biddle, who has his headquarters here,
and who is looking after tha timber intercets for the McCrackens, anys they have
and who is looking after that time is covered
by the finest timber in this section. They
expect to reach it with the cars by the first
ol Norember.

Wortham Senda Gractings.

Littrettien, Kv., Aug. 9th, 1889.
Mr. B. F. Beard.
Dear Sir.—Allow me, through yon, to congratulate the Democracy of Brecken-ridga country upon the splendid victory achieved last Monday. Grayson and Breckenridge are no longer in the deabful column. My majority in Grayson is 369.
Learried my majoritaried district, composed of three voting places, by 712. I do not touch a superior to the control of the composed of the column of a Democrat in my district who voted against ms. Grayson polled nearly 300 votes, has largest number are pelled. Pesent my regards to friends and believes as vere.

Are those delightfully cool Summer Garments we have in stock. We have marked shem down as low as they can possibly go. We will not sell them for less than cost. In fact there will be no need for that. We expect to close them all out before the summer is over. We have them in Seerstekers, real and imitations, in many novel patterns and colorings. We have the Pongee Silk in different colors; Zephyr and Kileton. all-wool, in greys, drabs and browns; Cicilians in colors; Black Aljaca and Drap d'Ete in regular length length and in extra lengths for very tall men, or for clergymen, and many other styles, all way down, cheep.

Viger and Vitality
Are quickly siven to every part of the
body by lived's Saresparilla. That tired
feeling is entirely overcome. The blood
is parified, escribed, and vitalized, and
corries brashli instead of disease to every
organ. The stomach is toned and
strengthened, the appetite restored. The
kintery and liver are reused and invigostated. The brain is refreshed, the mind
mule clear and ready for work. Try it.

CLOVERPORT, KY.

The Right Kind of **EDUCATION PAYS!**

If you want your child educated send him to a Texerther: if you send him to school to get rid of him or because it is customary, then send him to a Hearen or Rectations. There is a vast difference between teachers and recitation hearers. A teacher stimulates his pupils and eacourages them to learn for the sake of the power it gives them: the time-serving recitation-hearer encourages his pupils to memorize their lessons in order that they may recite well and get a good mark. Which will you choose for your ioy and your girl? If the former, then patronize the

CLOVERPORT HIGH SCHOOL!

→Major C. W. FOWLER, ← Monday, September 9th, 1889.

One year's work has shown us the defects of the old plan that has been followed in the past, and it has enabled us to prepare a graded course of study, extending from the primary to the high school. Of course this will require more help, and the Board of Trustees has given

INCREASED NUMBER OF TEACHERS.

If you want your child to have a first-class GRYBERA. BUCCATION let him take our REGULAR COMMON and I DIGHT SCHOOL. CRUSK, consisting of, in addition to the Common School Branches, which include Physiology and Civil Government, Algebra, Geometry, Trigonometry and Surveying, with Field Practice German, Latin and higher English; Geology, Botany, Physics, Physical Geography and Chemistry, What school presents a hetter course? And remember we have over \$1550 worth of Apparatus and \$2500 worth of Engineering Instruments, all of which are used in our regular Course without extra charge.

TERMS FOR TURYON.

TERMS FOR TUITION :

The Regular Course, at present, contemplates two years beyond the common school branches, but it is confidently believed the course will be extended two more years in 1890.

If you do not care to take the Regular Course, or if you want thing more practical, then take our

BUSINESS COURSE Consisting of Practical Arithmetic, Algebra, Letter Writing, Book keeping, Commercial Law and Typewriting from Phonographic dictation; the first school in the State to introduce this wonderful invention! By means of this little instrument the necessity for laborious shortland writing no longer exists, for it will repeat at ong time angeling explens into it, any number of times. They are rapidly supplying the place of stenographer in our large cities, and the young man that can supply and use a Typewriter and Phonograph is Certain of a Good Position.

BUSINESS COURSE, (Extra.)
The Complete Course this use of Instrument, per menth
Typewriting per month, with ase of Instrument,
and Phonograph.
Book-keeping per month. Good boarding can be had at \$3.50 to \$3.00 per week.
All hills payable monthly, or secured by acceptable note.
